

Covid-19 Procedures for In-Person Meetings

We appreciate your cooperation in following a few simple prevention practices as we strive to keep everyone safe and comply with the University's Covid-19 policies. We want to ensure it's as easy as possible to follow these policies, so if you have questions, feel free to reach out to covid@nwos.org.

- When you arrive, a volunteer will offer you a mask if you aren't wearing one (you are required to wear a mask everywhere indoors). Please arrive at the door at the North side of the hall (indicated below) if you need a mask.

- Please sanitize your hands and be mindful about social distancing while in the building.
- When handling plants it is encouraged that you wear gloves or sanitize your hands, latex free gloves are provided by the society.
- Disposable wipes are provided to clean and disinfect frequently touched surfaces.
- Food brought for coffee must be purchased at a store and remain in its original packaging till opened at the hall.
- Zoom is always an option for anyone not able to attend a in-person meeting: https://us06web.zoom.us/meeting/register/tZMlfuCrrzloEtYZdDQOW4I4HhSk0uVI_xWU
